Core values of the Institution

Being a Government Institution, the vision and mission of the Centre are to cater to the very needs of hundreds of graduates and postgraduates, particularly the rural and economically poor segment of the society, aspiring to higher education and research.

The Centre's mission is to expand itself in the field of higher education to multi dimensional angles targeting all the sections of the society marching towards excellence. The mission is to provide best quality education taking care of social, moral, ethical and ecological spheres to the rural and poor students of the Puducherry Union Territory. The mission of the Centre is to sustenance the excellence in academic, research and social pursuits upon which the existence of the institution for about last three decades lies.
